About

I am a Frontend Engineer with **15 years of industry experience**. I create fast, user-friendly, secure and accessible websites and apps, while delivering robust and efficient solutions.

Throughout my career I have contributed to **successful products and campaigns** for **leading international brands**, such as Bulgari, GEOX, Barilla, IKEA, Poste Italiane, Toyota, Whirlpool, Loro Piana, SNAM, Henkel, Aquafil, FIAT, Telecom Italia, Illy, Bacardi, Fendi, Intesa Sanpaolo, OVS, Alessi, Sportsgirl, Telstra, Australia Post, Bupa, APT Australia, Movember, among others.

I work remotely from Italy and am open to B2B contracting opportunities, short or long term.
